LAC SCHOLARSHIP PROGRAM TO SALEM
COMMUNITY COLLEGE

The Township has sponsored a Scholarship Program for many years whereby graduating High School students and adults can attend SCC and the Township through the scholarship pays some of the student’s course fees. The Scholarships are for the fall and winter sessions, but is limited by the remaining funds available.

Those students, who have completed their first year scholarship at SCC, must reapply and show proof of their grades to continue to receive scholarship funding.

The Scholarship program has limited funding so persons currently in the program and graduating High School seniors receive first preference. Scholarships are provided for both full and part time courses.

Residents who would like to attend college (Full or Part Time) for the first time or continue toward a degree are encouraged to apply as well.

An application and a letter stating the student’s goal(s) must be received by the Municipal Clerk no later than June 30, 2015 to be eligible for this fall. Applications and instructions are available at the LAC Municipal Building and at the Township Website.
